

## **Announcing The Third Annual William DiPietra Foundation Photography Exhibition Call for Entries**

**Entry Deadline March 15, 2022 -- Exhibition May 2022**

William (Bill) DiPietra was a filmmaker, photographer, screenwriter and LIU/Brooklyn Media Arts Program alumnus. Bill was much beloved, respected and admired not only for his own considerable talents, but for the service he gave to fellow students who had limited resources and were struggling to complete film, video and photography projects.

Expanding on this legacy, we are pleased to announce the third annual William F. DiPietra Foundation Photography exhibition. The exhibition will be a virtual gallery on the William F. DiPietra Foundation website.

Submissions are open to **LIU Brooklyn Media Arts, Journalism and Fine Arts undergraduates, Media Arts graduate students and Media Arts alumni.**
